

⁵/₆ Materials

Not everything needs to be new. Material from last year is perfectly fine as long as it is in acceptable condition! Everything should be labeled. Ensure that pencils/markers/coloured pencils all fit into pencil cases. Students can have more than one pencil case if needed.

A number isn't included for erasers, pens, highlighters etc. Please keep in mind they do not need an excessive amount, a couple of each should be sufficient. If they are prone to losing their items, ensure everything is properly labeled. Highlighted items do not need to be labeled.

- 1 small whiteboard + eraser**
- Simple agenda (dates and space to write daily)**
- Soprano recorder * see below**
- Dry erase markers**
