

## **Grade 5-6 Supply List 2025-2026**

Material from the previous year is acceptable as long as it is in acceptable condition! Everything should be labeled. Ensure that pencils/markers/coloured pencils all fit into pencil cases. Students can have more than one pencil case if needed.

A number isn't included for erasers, pens, highlighters etc. If your student is prone to losing their items, ensure everything is properly labeled. Highlighted items do not need to be labeled.
